FEBRUARY 2010

HIGHLIGHTS

The Balance of Romance

The upcoming census may change the numbers that follow. But, for now, the U.S. government's figures reveal these stats about how the number of available mates varies based on age:

118: Number of single men for every 100 single women in their 20s.

33: Number of single men for every 100 single women age 65 and over.

Resident Referrals

We want your friends or family as our neighbors! With our Resident Referral Program, you can make **\$300** simply by recommending our community to others. Call or stop by the office for more details.

A Florist's Favorite Holiday

Valentine's Day ranks No. 1 among holidays for which consumers buy fresh flowers. The holiday comprises 40 percent of florists' overall annual dollar volume.

Doggone It!

Please remember to pick up after your pets. Also, inform your guest(s) who help you take care of your pet when you are traveling as well. It prevents a health hazard and it also keeps our property looking great. Thanks for your cooperation.

Happy Valentine's Day

We'd like to take a moment to wish all of our residents Happy Valentine's Day.

NOTES & NEWS

Snow Removal

With winter here, please remember to park so that your bumper is not hanging over any sidewalk where snow removal may be required. When brushing off your car, please do so after moving your car out of its parking space. After snow storm, please move your vehicle to the second or third row so we may clear the snow away from the front of the buildings first. If necessary, any car not moved will be towed at the owner's expense per the Rules and Regulations. Thank you for your help.

Trash/Furniture Alongside Compactor

Please remember to place your trash into the compactor. Trash left outside the compactor WILL BE FINED \$75 PER BAG. If you have a question about what kind of trash goes where, please call the office.

Stamp Act

Harriet Tubman, who helped others escape slavery, became the first African-American woman honored on a U.S. postage stamp on Feb. 1, 1978.
